

CONSENT TO SHARE STUDENT ATTENDANCE RECORDS WITH HEALTHCARE PROVIDERS

The Collaborative for Attendance Resources in Education and Health (CARE-H) project is a partnership between District of Columbia Public Schools (DCPS) and local medical providers for students who are enrolled at DCPS who are current Children's National Hospital patients. The CARE-H project aims to support student health and reduce absenteeism, because students who are healthy are better able to attend school and learn. In order for the CARE-H project to work, DCPS schools must provide information on my child's school attendance to my child's primary healthcare provider.
